frequently asked questions

Can I get married at Northerlies?

Northerlies is a great option for couples looking for a casual wedding with a lower budget. We can connect you with the Northerlies team to discuss this option.

Do you offer all inclusive packages?

We're unable to provide all-inclusive packages as Freedom Shores is a 'dry hire' wedding venue. We manage the accommodation & site hire only. Once you've booked the venue, our recommended planner works with you on the finer details like marquees, etc.

Do you have beverage packages?

While we don't provide beverage packages, we offer flexible bar tabs so you can stay in control of your beverage costs. Simply choose an amount (\$2,000 included in venue hire) & pick your tab inclusions (e.g. beer & wine only).

Are there wet weather options?

The breezeway portico is our ceremony wet weather option. For reception, we recommend hiring a marquee or teepee through Euphoric. If a marquee hasn't been booked, the Euphoric team can closely monitor the weather forecast to advise on your best option.

What is the cost of exclusive use of the resort?

See page 16 for pricing. Enjoy the entire resort & homestead to yourselves. This can be paid in full by the couple or by your guests allocated to each room. Any rooms that aren't filled before your stay will need to be covered by the couple*.

What will the beach look like on my wedding day?

The Beach Shack shoreline is extremely tidal. The team at Euphoric can help you plan around low/high tides.

What menu options are available for my wedding?

We highly recommend Aquava Boutique Catering. Their menus are diverse and flexible, to fit your budget & vision. View their sample menus [here](#).

How do I secure my wedding date?

A 25% deposit is required to secure your wedding date for venue hire. This deposit is non-refundable. If you choose exclusive use of the resort, a separate 25% deposit is required to hold all 14 rooms. This deposit will be applied as a credit to the final venue hire invoice 60 days before the wedding.

Do you have photos of past weddings on site?

For the most recent wedding references, check out our weddings instagram [here](#).

exclusive resort hire (optional)

Choose to hire the resort exclusively for you & your guests. With multiple payment options, you can allocate rooms & cover the lot, or ask your guests to call us & make payment arrangements per room. With a total of 14 rooms and a guest capacity of 40 people, here's the area split:

- 9 Boat Bungalows (2 pax)

The prices listed on the right have our exclusive use discount applied for the minimum 2 night stay. A separate 25% deposit is required to hold all rooms for exclusive use.
